Dear Chapter President,

On behalf of the officers and members of the Great Lakes Chapter, I am pleased to encourage and invite you and members of your chapter to start making preparations to attend BWINAANA's 24th Annual National Convention and 86th Founders Day celebration which will be held in Detroit Michigan from June 26-28, 2015. When our chapter offered to host convention 2015 shortly after hosting convention 2012 in Chicago Illinois, we were motivated by the fact that our chapter spans across several Great States with active membership in several convention worthy cities.

Our goal for convention 2015 is to make your trip to Detroit Michigan worthy of a vacation while you conduct important business in support of your Alma Mata. All convention activities will be held at a venue owned and operated by the Liberian Community Association of Michigan. This facility have been in operation for more than five years. Several High School Alumni Associations and other Liberian and Non Liberian National Associations have held very successful conventions at this venue. The Great Lakes Chapter Guarantees your safety and hospitable convention environment.

We have enclosed a brochure which highlights all convention activities. For the first time in the History of BWINAANA, we will produce a Professional Convention Memory Book for a donation of \$35.00. A professional photographer will be on hand to capture us and our families on the Red Carpet. Please encourage your chapter members to bring the entire family for this exciting historic event. Please encourage members to start booking hotel rooms now.

We look forward to welcoming your family at Convention 2015 In Detroit Michigan.

Very Respectfully,

Signed: SamuelRennie
