COMMITMENT TO EXCELLENCE

On behalf of the officers and members of the Great lakes Chapter, We are proud to report at this Executive Council Meeting that the State of Affairs of the Great Lakes Chapter continues to be strong and dependable.

We are proud to be the first chapter to host three conventions since the establishment of the Booker Washington Alumni Association of North America. As a result, we have elevated our chapter's rank in BWINAANA to the first Junior Class. As a superior chapter of the BWINAANA our prime goal is to efficiently plan and execute convention 2015 as a model for future conventions.
